6

Pour the entire contents of the oil bottle (supplied) into the oil fill. Check the oil level using the dipstick. (Refer to the Engine Operator's Manual)

7

Fill fuel tank with clean, fresh gasoline. Do not fill above the base of fuel tank neck.

FAST START GUIDE

8

While standing behind the machine, pivot the Blade Control Handle against the upper handle.

Grasp the starter rope handle and pull with quick, full-arm stroke. If the engine does not start after three pulls, wait a few minutes and repeat.
